**PRINCIPLES OF THE INSURANCE, THE PENSION AND PROVIDENT FUNDS AND THE
INSURANCE AND PENSIONS COMMISSION BILL**

As discussed during the various industry association meetings, the Ministry of Finance wishes to address industry players on the above Bills.

To this end, a seminar involving all our stakeholders will be held on the 8th August 2014 to discuss the above principles. The seminar should be for half a day. It is our understanding that the Ministry of Finance has already sent you the principles to be discussed. If however you were omitted, please contact us.

A detailed programme together with the venue will be communicated to all concerned shortly.

You are all encouraged to attend.
