Circular No. 8/2006

RE SUBMISSION OF 2005 MARKET REPORTS

The following companies have not submitted information for compilation of the 2005 Insurance Companies Performance Report the Insurance Council of Zimbabwe is compiling in conjunction with the Commissioner's Office, despite persistent appeals from ICZ Secretariat.

1. Zimnat Lion Insurance
2. AIG Insurance
3. New Reinsurance Company
4. Regal Insurance
5. Brownstone Insurance

This report is being put together for the benefit of all of us as a market and therefore requires the full co-operation of all Short-Term Insurance institutions. Importunely this very useful statistical record cannot be compiled unless all market players participate. The companies listed above are therefore being requested to comply with this appeal by the 2nd of August 2006 to prevent further delays in finalisation of this worthy task.
