**RE: SECOND DRAFT OF THE INSURANCE BILL 2011**

As discussed previously in our liaison meetings, please find attached a second draft of the above Bill.

We would be pleased to have your comments, if any, by the 27<sup>th</sup> February 2012 as we now want to forward the Bill to the Ministry of Finance for them to expedite its processing.

The Ministry of Finance will, after Cabinet approval, approach the Attorney General's Office to examine the Bill before it is brought before Parliament.

Please do not change or amend the clauses on the Bill but indicate your proposals separately.
