2022 GLOBAL MONEY WEEK ACTIVITIES

This circular serves to advise that the 2022 Global Money Week (GMW) commemorations will run from 21-27 March.

GMW is an annual financial awareness campaign meant to inspire children and young people to learn about money, saving, creating livelihoods, and gaining employment.

It was initiated by the Child and Youth Finance International (CYFI) in 2012 but is now coordinated by the Organisation for Economic Co-operation and Development/ International Network on Financial Education (OECD/INFE).

The Insurance and Pensions Commission and the Reserve Bank of Zimbabwe are the national coordinators for GMW in Zimbabwe.

The Commission invites your institution to participate in this year's commemorations through implementing activities that raise awareness about insurance and pensions, particularly targeting children and young people, during the week.

In conducting these activities, you are encouraged to respect the safety guidelines related to Covid-19.

For ideas on some of the activities that you may consider, please refer to <https://globalmoneyweek.org/>

GMW's official slogan is "**Learn, Save, Earn**" while this year's theme is "**Build your future, be smart about money.**"

Kindly advise if your institution will be participating as well as the activities that you intend to embark on, by 28 February 2022. You can send the information to pr@ipecc.co.zw.

The Commission looks forward to your institution's participation in the 2022 GMW commemorations to enhance the awareness of insurance and pension matters, which will contribute towards financial inclusion.

Yours faithfully

Grace Muradzikwa

COMMISSIONER OF INSURANCE, PENSION AND PROVIDENT FUNDS
